

# Big Dreamers Award

*Dream big and further your Free The Children group's incredible impact!*

*Changing the world comes with new ideas, out-of-the-box thinking and dreaming big.*

Through the support of our generous partners, the Big Dreamers Award celebrates the efforts of outstanding Free The Children groups like yours! By taking action to support the Adopt a Village program, and telling us why you are big dreamers, you could further your impacts overseas. Big Dreamers awardees will each be provided a financial award to donate back to the Adopt a Village country and project of your choice.

By dreaming big this year, you will further the impact you are having on the lives of children overseas.
