

think:we Speaking Tour

In partnership with Club Penguin, Free The Children is excited to present Think We!

This fun-filled speaking tour and leadership program is specifically designed for elementary and middle school students and is free of cost to your school, thanks to the generous contributions of Club Penguin.

Free The Children has a proven track record of success in empowering youth to take action in their schools and communities. Our dynamic and expert team of Free The Children speakers will inspire students with their personal stories and a multimedia presentation. They will educate students on the interconnectivity of local issues and the world's biggest challenges, and share their ideas for tangible actions to create positive change.

Speech Themes

- Universal access to Education
- Child Rights
- Learning to Lead

What's included

- Hour-long multimedia presentation to the student body, grades 2 to 8
- Fun, interactive workshop for 20 student leaders (approximately three hours)
- Action planning session
- Access to a consistent support network

Free The Children is the world's largest network of children helping children through education, with more than one million youth involved in our innovative programs in more than 45 countries. The organization works to engage and empower youth at the domestic level to become active global citizens. Internationally, Free The Children has built more than 650 schools and school rooms, providing education to over 55,000 children everyday.

In addition to the Think We! Speaking Tour, Club Penguin also sponsors a health centre and tree nursery in Kenya, a playground and water project in Haiti, a large scale water project and community garden in India, and the Big Dreamers Award, a program that matches youth fundraising efforts to support Free The Children's Adopt a Village Program in seven countries.

Thanks to the enthusiasm of the kids who participate in the annual Coins For Change online giving campaign, Club Penguin has also been able to partner with Free The Children to build schools and support health and water projects in four countries. Club Penguin is proud to provide education, healthcare and access to clean water for thousands of children.
